

After kissing, he looked
at me and said

YOU EVER
NOTICE HOW
THINGS ARE
SO UGLY WHEN
UP CLOSE?

My mustache hairs
grow to become
a vast forest

he will lose
himself in

I imagine my blackheads
growing to become
dark sinkholes

pulling him in never
to be seen again

I zoom out &
look at him closely

...
nice bum,
but...
beautiful
things can
become
ugly if
you look
at them
closely
